## About

The Mid Market Community Benefit District (MMCBD) and the Civic Center Community Benefit District (CCCBD) are neighboring non-profit organizations working together on public space cleanliness, safety, activation and beautification for the benefit of all those who live, work and visit these areas.

Both CBDs provide core neighborhood services, in addition to City services. CBD Community Ambassadors offer assistance in the areas of way-finding, pedestrian safety, and social service outreach 7 days a week. CBD Clean Teams work to improve the cleanliness of the District with sidewalk sweeping, steam cleaning, trash removal, weeding and graffiti abatement.
